

Operations Positions

Engineered Building Design, L.C. is a growing manufacturer of wood roof and floor truss components located in dynamic Washington, Iowa. Due to our growth we have openings for Truss Assemblers, Sawyers, Catchers, Lumber Pickers, Yard Material Handlers, and Truck Drivers.

The preferred candidate will have experience in carpentry (preferably in the framing construction industry) with skills of reading a tape measure, using a hammer, and picture sheet reading. The candidate must be highly motivated and willing to work 5-10 hours extra a week during our busy season which usually lasts nine months out of the year.

We have an excellent benefit package (health insurance, retirement plan, paid vacation, paid time off, paid holidays). Pre-employment drug screening required.

An Equal Opportunity Employer
